Filmul e asa de diferit, iti da o senzatie apropiata de cum erau romanii si cum sunt. Pare mult mai relatat la viata noastra contemporana decat filmele de productie socialista, filme care erau inconfundabil, filme... acesta pare o portita intr-o realitate actuala ce se desfasoara la sat. Vulgaritatea, grosolanismul si aspritatea in comunicare, ce intr-o masura fac parte din identitatea noastra ca popor, reies autentic. Chapeau!
